

マイページへのサインイン方法

1. ACSMウェブサイト (<http://www.acsm.org/>) の「Your new MY ACSM PORTAL(マイページ)」をクリック

The screenshot shows the ACSM website homepage. At the top, there is a navigation bar with links for EVENTS, MEDIA ROOM, FOUNDATION, STORE, and GET INVOLVED. Below this is a search bar and the ACSM logo. A main navigation menu includes ABOUT ACSM, MEMBERSHIP, ATTEND A MEETING, FIND CONTINUING EDUCATION, CERTIFICATION, and PUBLIC INFORMATION. The central banner features a webinar titled "Free Webinar – Challenges for Providing Protein for the Aging to Support Nutrition & Health Needs" with a "REGISTER NOW" button. On the right side, a red callout box with a yellow circle highlights the text "Access Your new MY ACSM PORTAL", with a yellow arrow pointing to it and the Japanese word "クリック" (click) next to it. Below the main content, there are sections for "ACSM News" and "ACSM Blog". At the bottom right, there is a "Featured Publication" section with a book cover titled "PREVENTING SUDDEN DEATH" and a "Read More" link.

Renewing Your ACSM Certification

Your ACSM Certification is valid for three years.

In order to renew your certification at the end of three years, you will need to meet the following minimum requirements:

1. Accumulate the required number of Continuing Education Credits (CECs), Continuing Medical Education (CMEs), Continuing Education Units (CEUs) and/or the equivalent (see CEC requirements for your certification below)
2. Maintain current CPR Certification
3. Pay the required recertification fee
4. Or, you have the option to repeat the certification exam as long as you meet the current eligibility requirements (current exam prices apply)

How to Renew Your Certification**

～ページ中略～

Continuing Education Credits Tracking Form

Certified professionals can use this paper [CEC Tracking Form](#) to keep track of CECs earned. This form is to be used for your own records and should not be sent to ACSM. You can also use our new [online learning platform](#) to manually enter the CECs you've earned. Again, this is for your records only and does not automatically renew your certification, you must still fill out the [renewal form](#).

Continuing Education and Recertification Frequently Asked Questions

If you have questions about ACSM's continuing education or recertification requirements, review our list of [frequently asked questions](#).

The Basics of Personal Training for Seniors

There will be 70 million seniors (adults 65 or older) in the U.S. by 2030. How can trainers be prepared for the unique challenges of older clients?
